

TENACIOUS MASTERPIECE AT ASSET RAINTREE

Nestled in the serene neighborhood of Podikkundu, Asset Raintree 3C exemplifies the height of luxurious living. The Asset Interior team has masterfully crafted the apartment into a haven of opulence and indulgence. Here, life flows like a symphony, with every detail harmonizing to create an atmosphere of comfort, sophistication, and refined elegance.

LIVING ROOM

The living room exudes simplicity, featuring a vibrant multicolored sofa in aqua blue and grey, accented by mustard yellow and aqua blue cushions. The lighting and curtains are equally understated, complementing the room's overall minimalist aesthetic.

DINING AREA & POOJA

The dining area maintains the theme of simplicity with a six-seater dining table featuring a teakwood finish and a nanowhite top, paired with cushioned chairs upholstered in off-white leather. The pooja area is elegantly clad with stones, and the ledges are accentuated with spotlights. Like the living room, the dining area also has understated lighting and curtains, enhancing the room's minimalist charm.

KITCHEN

The kitchen boasts a thoughtfully designed space with calming light shades that create a seamless and soothing atmosphere. The top and bottom units are equipped with sleek profile handles, while fluted glass enhances the top units. Venetian blinds adorn the kitchen window, adding a touch of elegance. The lighting is minimal, maintaining a serene and uncluttered environment.

BEDROOM

A consistent, simple theme ties together all three bedrooms seamlessly. The master bedroom features an Aristo Sliding wardrobe alongside a fabric upholstery cot headboard, exuding elegance and functionality. In the other two bedrooms, a blend of wood and white elements creates a serene ambiance. Each bedroom maintains a minimalist approach to lighting and curtains, emphasizing comfort and style throughout the living spaces.

CLIENT SPEAKS

RAKESH & SRIVIDYA

In 2019, we began our search for a new home and approached Asset Homes and booked a flat in Asset Raintree- 3C. Their customer service and technical support were exceptional. When it came to the interior works, we didn't hesitate to entrust the project to Asset Interiors. Despite being based in Kochi, coordinating with them was seamless. They meticulously considered all our requirements, delivering a result that exceeded our expectations. We are very happy with the work done by Asset Interiors.
