LIVING ROOM

Crafting a comfortable and stylish entertainment space at home is ideal for those seeking it, boasting a spacious, well-lit ambiance in the living room. Expansive balconies and windows flood the area with abundant natural light, complemented by a beautiful TV unit in a grey shaded paneling and glass shuttered cabinets, offering a perfect blend of style and functionality. The room exudes a fresh, inviting atmosphere with pristine white walls and flooring, contributing to a bright and airy feel throughout the space.

WASH VANITY – DINING AREA

The wash vanity's warm and inviting ambiance is elevated by wooden color cabinets, and a backlit mirror. The backlit mirror not only enhances the overall aesthetic but also adds a modern and elegant touch to the vanity area. Harmonizing with the surroundings, the carefully chosen wall texture complements the space's look and feel.

BEDROOMS

Set against white walls, blue and wooden color wardrobes in a bedroom infuse the space with a warm and cozy ambiance, introducing a natural beauty element. The combination of white walls with the mix of blue and wooden wardrobes establishes a fresh, airy, and serene environment, ideal for relaxation. Adding a full-length mirror with a backlight provides special attention to the bedroom, enhancing its allure.

KITCHEN

Bright-colored bottom and top cabinets in a kitchen introduce a unique elegance, cultivating a cozy and inviting atmosphere. Installing strip lights beneath the top cabinets enhances functionality and aesthetics, offering task lighting and accentuating the kitchen's overall beauty. Versatile and energy-efficient, these strip lights are easily installed and controlled. Additionally, the inclusion of a black granite countertop further elevates the space, contributing to a classic and timeless look.
