Living & Dining Room

Upon entering the apartment, you are greeted by a well-thought-out partition unit that artfully conceals the dining area, creating an intriguing sense of anticipation. The wooden grooved paneling with a marble-finished back panel for the TV unit is an eye-catching centerpiece, combining modernity with a touch of classic charm. At the end of the TV wall, a beautiful pooja unit has been thoughtfully incorporated, offering a serene space for spiritual contemplation.

In the dining room, a sleek crockery unit stands proudly in the corner. Adorned with white laminate and black tinted glass, it adds a touch of sophistication and serves as a perfect display for your cherished tableware. A wash area, complete with a long mirror and charcoal paneling, ensures both functionality and elegance for your daily rituals.

Master Bedroom

Step into the master bedroom, where you'll find a spacious sliding wardrobe that provides ample storage for your clothing and personal belongings. Adjacent to the wardrobe, a separate dressing unit, adorned with a long mirror and drawers, allows you to prepare for the day in style.

Bedroom 2

In the second bedroom, a compact yet charming TV unit awaits. Its backside texture painting adds a unique visual element to the room, making it an inviting space to unwind and relax. On the opposite side of the bedroom, a wardrobe with a built-in dressing unit complements the interior, offering a seamless and functional storage solution.

Kitchen

Prepare to be amazed by the kitchen's standout feature: the blue interior cabinets! A bold choice that pays off beautifully, the blue cabinets create a refreshing and vibrant ambiance.
