

A refreshingly breezy home at Asset Chiraag

The apartment 3F at Asset Chiraag project Thrissur, is truly like a breath of fresh air. The homeowners themselves described the apartment interiors as refreshing and fresh.

Asset Interiors/Customization team has included various design elements like selecting a natural color theme, inclusion of indoor plants etc. to give the apartment an airy, and an overall soothing feel.

Living Room

The color theme for the main living room is muted natural tones. An olive green texture paint has been used in the entrance foyer and the living room walls. An interestingly designed sideboard with patterned mirrors and spotlights has been placed right after the entrance door. This acts as the drop zone for the home owners for storing their things as they come in or go out of the house. The side wall has been enhanced by a contemporary design of wooden shelves.

Dining area and Balcony

The dining area has a modern seating arrangements with 4 chairs and a bench to accommodate more people, if required.

The upholstery of the bench and chairs is in the same color family as the sofa. The main balcony opens from the living room allowing gusts of fresh air to invigorate the space.

Other customized features in the home

The apartment has detailing elements in every corner which have been provided specifically to make this home unique for the owners.

A 3 -lamp Chandelier in the hall is hard to miss when we enter the hall. Beautiful false ceiling work to uplift the overall look of the home is provided.

A cute breakfast counter in the kitchen, and a fully custom made TV unit matching the theme of the house are one of few elements worth mentioning here.

CLIENT TESTIMONIAL

We believe it is worthwhile to provide a few feedbacks. The flat is 3F is beautiful and the quality looks really good. The whole ambience of the building and the surrounding look different and refreshing. As a family we felt really proud on the house warming day to receive loads of appreciation for our flat 3F.

Wanted to say big thank you for the co-operation and understanding that was extended to us by the Asset

team at Chiraag under the supervision of Mr. Thambi. I thank once again Asset Homes for making all this possible and personally a big thanks to you Mr. Thambi P Bose and his team. Our association with Asset Homes has been a great pleasure indeed and we hope and pray that our journey continues.

Thanks !

Prasnath R Menon & Deepa Prasanth,
Proud owners of Asset Chiraag 3F
